Input for Embodied Interaction, November 2021

—

Title
Data, self and bodies – Technological Fundamentals

Python
- Download and install python and pip (https://docs.python-guide.org/starting/install3/osx/)

JavaScript and Node.js
- Download and install node.js and npm (https://nodejs.org/en/download/)
- Go to https://npm.io/ and search for interesting packages.

Localhost.run
- This is a nice tool to stream your locally hosted and running applications out into the world. (http://localhost.run/)

Search Scrapers and Libraries
- For JavaScript (https://npm.io/)
